Organization info

[About Us](#)

Founded 2009.

Mission: Our mission is to conserve and restore the ecological integrity of forests and landscapes, engaging communities to implement and deliver lasting solutions for climate, nature, and people.

Programs: WeForest is a Belgium-based non-profit organization, which works with communities and local partners to develop scalable Forest Landscape Restoration projects mostly in tropical regions to sustain nature's diversity, benefit our climate, and support human well-being. Since 2009 we have grown very fast: after having restored 25,000ha in 2018, we recently developed a project capacity to reach a total of 85,000ha by 2025.
